EMERGENCY PAEDIATRIC FIRST AID TRAINING COURSE

APPROVED BY MoD
IN SUPPORT OF
THE ELC SCHEME

Level 3 Award in Emergency Paediatric First Aid (EPFA)

Suitable for security staff where children are present, parents, school staff, childcare providers, childminders in schools, nursery schools, babysitters, pre-schools and staff involved in childminding.

This qualification provides the knowledge and skills for first aiders working in early years environments. Learners will gain the knowledge, skills and understanding of emergency paediatric first aid.

This course is only available as part of the Close Protection Course package or with the stand-alone First Responders course.

Qualification Module:

- Understand the role and responsibilities of the paediatric first aider
- Be able to assess an emergency situation safely
- Be able to provide first aid for an infant and a child who is unresponsive and breathing normally
- Be able to provide first aid for an infant and a child who is unresponsive and not breathing normally
- Be able to provide first aid for an infant and a child who is choking
- Be able to provide first aid to an infant and a child with external bleeding
- Be able to provide first aid to an infant and a child who is suffering from shock
- Understand how to administer first aid to an infant and a child with bites, stings and minor injuries
